

**Guidelines for Attending Masses at
Saint Mary, Our Lady of Guadalupe,
Kittanning
and
Saint Mary, Mother of God,
Yatesboro**

- + Please use hand sanitizer upon entering Church. Dispensers will be available at designated Church entrances.
- + Holy Water fonts have been emptied for now. Small bottles of Holy Water are available (1 per household please) at our Church entrances and may be refilled and blessed by any priest or deacon as often as necessary.
- + Masks are to be worn at all times when in Church except during final moments when approaching to receive Holy Communion.
- + When seated, be sure to maintain a distance of 6 feet from another party that may be in the same row of seating.
(Those who live in the same household may sit at a closer distance to one other.)
- + Please do not move tape/rope placed to designate seating areas.
- + Out of concern for all parties, please plan to receive Holy Communion in the hand.
- + For now, at the Sign of Peace, PLEASE do not shake hands with those around you. A reverential nod of the head or bow will acknowledge those nearby.
- + For your safety and that of others, when departing Mass, remember, for the time being, to leave directly and do NOT remain gathered in the Church, Narthex, or outdoor areas.
- + Temporarily, the only available restrooms are those located on the main level at our Church entrances. Restrooms in the lower level of our Churches will be closed.
- + If you are elderly, have a physical condition that might make you more susceptible to illness, or care for someone who might be vulnerable to disease, please remember that attending Mass at this time is not obligatory. Being safe is of the greatest importance.
