

Online Giving FAQs

What are the advantages of Online Giving?

Online Giving makes it easy for you to fulfill your financial commitments to the parish even when you are unable to attend Mass. You do not need to write a check or have a cash available.

How are my contributions automatically deducted from my account?

When you create your account, you enter your credit card or bank account information and then specify the amount you wish to contribute. Your contribution will be transferred from your account to the parish bank account.

Do I have to use a credit card?

The Online Giving system provides our parish the option to offer both credit card and direct withdrawal (ACH) options for contributions. You do not have to use a credit card for contributions.

When will my contribution be deducted from my account?

The Online Giving system provides you the ability to select the date you would like your contribution to occur. You will receive an email notification about each contribution, and your account will be debited on the date you specify.

If I do not write checks, then how do I balance my checkbook?

You will receive a confirmation email that your gift has been processed. These emails will help you to remember to record the gift in your check register on the appropriate date. Electronic contributions are also recorded on your bank statement and in your Online Giving reports.

Can I contribute different amounts to different offerings? Can they be withdrawn at different times? Can I use different amounts for the contributions?

The system provides you the capability to give different amounts to different offerings at different times. For example, you are able to give your regular weekly offering on the first of the month and your Holy Day offering on the specific date. You are able to use any number of bank and/or credit card accounts for your offerings.

What if I change bank accounts?

Simply login and update your bank account information.

What if I want to stop using Online Giving?

You may cancel your authorization by deleting your credit card and/or bank account information along with your donation dates. Your contributions will stop immediately and the history will be secured.
